The final average of the students of ESPM is calculated by the sum of the grades of all the disciplines divided by the number of disciplines, independently of the amount of credits of each of them.

## ESPM International Credits Conversion Scale

ESPM Credit	Contact Hour	ECTS	GPA
1	18	1.5	C
2	36	3.0	B
4	72	6.0	A

The load of the disciplines is calculated by the amount of credits. At ESPM each credit is equaled to 18 hours of contact hour, multiplied by the amount of credits, which compose the hourly load of each discipline.
